Tuition Payment Plans

- Plan I
Full tuition payment made on or by June 16, 2024. This payment may be paid by automatic ACH electronic deduction from your checking or savings account. This plan earns a discount of \$150 per student.
- Plan II
Two equal payments made on or by June 16, 2024 and on or by December 16, 2024. These payments may be paid by automatic ACH electronic deduction from your checking or savings account.
- Plan III
Twelve (12) equal monthly payments made only by automatic ACH electronic deduction from your checking or savings account. These payments are made June 2024 through May 2025, on the 16th of each month.

If an automatic withdrawal is declined for insufficient funds, the outstanding tuition must be paid with check or cash within seven (7) days. If tuition is unpaid or outstanding for two (2) months, the family will be contacted and may be asked to withdraw their student(s). Once a student has been withdrawn, uncollected balances may be turned over to an agency/attorney for collection.

We will try to honor all requests for enrollment; however, openings will be filled on a priority basis as listed in the Nativity: Faith & Reason admission policy:

1. Siblings of current Nativity students
2. Nativity parishioners who have been registered and active in the parish's stewardship program for at least six months
3. Registered, active members of other Catholic parishes
4. Non-affiliated Catholics
5. Non-Catholics

Cancellation/Early Withdrawal Policy

Decisions regarding the purchase of textbooks and instructional materials, as well as the renewal of teacher contracts and support staff agreements are made in accord with the upcoming school year enrollment numbers and any subsequent new student admissions. The tuition contract and registration fees are the primary means of confirming enrollment and for finalizing purchasing and hiring decisions. Therefore, early student withdrawals have a direct impact on the financial position of the school.

For the 2024-2025 school year, a new withdrawal/cancellation policy has been established as follows:

Withdrawal Prior to the Commencement of the School Year:
Refund will be 100% of tuition already paid less a \$500 withdrawal fee.

Withdrawal After Commencement of the School Year:
Tuition obligation will be calculated based on percentage of school year attended plus a \$500 withdrawal fee. Any amount already paid in excess of the calculated tuition obligation and withdrawal fee will be refunded.

All cancellations and withdrawals must verify proof of date by email or mail.
